Strategic Planning Meeting

EC will be holding another strategic planning meeting. They are looking for topics. Here is the email from Sue Ann:

We would like to hold a Strategic Planning meeting in January to flush out some topics that typically can not be discussed during a regular East Central Board Meeting. This meeting would be similar to the one we had last year. A meeting location would be selected and we would use the morning and part of the afternoon to break out into groups to work on district issues.

We would like your input on topics you would like to discuss and work on. Please send me a list of topics and a brief description of what you would like to work on.

Please return you topic questions to me no later than November 2. Your help in this matter is greatly appreciated.

The topics of “promotion/regulation” for classic teams and “Parent/Coach Attitude problems” were listed in the meeting. I encourage Kurt, Randy, Kevin, and anyone else to attend this meeting. I plan to attend.

Jan 6th League Organizer Meeting

Because of the new web based scheduling system, EC is requiring every club to send the name, phone #, and email address of the club members attending the Jan 6th meeting to Sue Ann. The meeting will be held at Kimberly HS in the infamous LGI room @ 7pm.

EC stated that we need to have the coach and manager information available for all of the teams going into the schedules.

Recreational Soccer Weekend

Doris explained to the EC group about the plans to hold a combined recreational tournament with Appleton, Neenah, and Menasha on the weekend of June 19th. Carl pointed out that we should not call it a tournament, otherwise it will need to fall under the state guidelines, require paying the state insurance fees or something. Therefore, it was suggested we call it the “Soccer Weekend” or some such name.

This would give our recreational players 10 season games plus our own version of an LCS. I expect our team participation would be much greater with this weekend date than the end of July.

The next meeting is November 9th – JIC anyone wants to come to the meeting.
