All evening games in May for U-15 and above will be 2 x 35 minutes halves.

Every game should begin with a coin toss by Referee, with visiting team "calling it in the air":

- a) Team Winning toss selects goal they will defend
- b) Team Losing toss will kick-off

Every attempt should be made to end games on-schedule.

The Referee will control reductions in game length, but both coaches must be advised.

For games played during extremely hot or humid weather, the Referee may adjust game halves to allow for player water breaks, but both coaches must be advised.

Reminders:

- 1) All League Games **must** operate with **one** whistle (two-whistle games are prohibited, and are not valid)
- 2) **NO** slide-tackles are allowed **at any level** of Recreational League play (all players must "keep their feet").
- 3) During U-16 and U-19 Recreational League play, Offensive players **are prohibited** from playing the ball while within the opponent goal area (6-yard area).
- 4) U-16 and U-19 Recreational League games are 2 x 35 minute halves all season.

To get games going each time, remember:

- A** - Arrive on-time at least 20 minutes prior to game time
- A** - Assitants - request each coach acquire 1 flag person - adult preferred
- B** - Bucks - get paid before the game - 1/2 of fees from each coach
- B** - Ball - get game balls (at least two) from Home team coach
- C** - Check all player equipment - shinguards & proper cleats - no casts, bracelets, earrings, etc.
- C** - Captains from each team and do coin toss
